

I BELORUSSIAN BIOCHEMICAL CONGRESS
Current Problems in Biochemistry
Grodno, July 5-6, 2016

First Announcement

DEAR COLLEAGUES,

The Organizing Committee invites you to take part in the ***First Belorussian Biochemical Congress*** which will be held on July 5-6, 2016 at the Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus, in the city of Grodno, Republic of Belarus

The aim of the Congress is to discuss cardinal trends in development of modern biochemistry, molecular biology and biotechnology as well as to work out a program of development of the Belarussian Biochemical Society for the years to come. The important task is extension of international cooperation, cooperation of biochemists working in different fields of biochemistry as well as discussion and design of new collaborative programs and projects.

The Congress will contribute to enhancement of the activities of the Belorussian Biochemical Society, extension of international cooperation, establishment of new and development of existing scientific contacts as well as elaboration of new promising research projects.

The program of the Congress will contain lectures on the most important trends in modern biochemistry as well as the most interesting presentations of Congress participants. It is also planned to publish a book of papers of the Congress participants and to hold an individual workshop for young scientists, biochemists of the Republic of Belarus.

Scientific Committee

Moiseenok, Andrey, *Chairman*, Corresponding member of the NAS of Belarus, Chief Researcher at the State Enterprise “Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus”

Usanov, Sergey, *Vice-Chairman*, Corresponding member of the NAS of Belarus, Director at the State Research Institution “Institute of Bioorganic Chemistry, NAS of Belarus”

Buko, Vyacheslav, Professor, Head of the Division of Biochemical Pharmacology of the State Enterprise “Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus”

Vinogradov, Vladimir, Professor, Head of the Division of Bioregulators of the State Enterprise “Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus”

Yevtushenkov, Anatoly, Professor, Head of the Department of Molecular Biology of the Educational Institution “Belarusian State University”

Lelevich, Vladimir, Professor, Head of the Department of Biochemistry of the Educational Institution “Grodno State Medical University”

Reshetnikov, Vladimir, Academician, Head of the Department of the State Research Institution “Central Botanical Gardens, NAS of Belarus”

Slobozhanina, Yekaterina, Corresponding member of the NAS of Belarus, Head of the Laboratory of Medical Biophysics of the State Research Institution “Institute of Biophysics and Cellular Engineering, NAS of Belarus”

Taganovich, Anatoly, Professor, Head of the Department of Biological Chemistry of the Educational Institution “Belarusian State Medical University”

Shkumatov, Vladimir, Corresponding member of the NAS of Belarus, Head of the Laboratory of Biochemistry of Medicinal Preparations of the Research Institute of Physico-Chemical Problems, Belarusian State University

Cherenkevich, Sergey, Academician, Head of the Department of Biophysics of the Belarusian State University

Chirkin, Alexander, Professor, Professor at the Department of Biochemistry of the Educational Institution “P.M. Masherov State University of Vitebsk”/

Organizing Committee

Nadolnik Liliya, Ph.D. (Biology). Doctor of Biol. Sci. Chairman	Director of the Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus	Tel.+375152434161 Mobile.+375298671308 (MTS) Tel./fax+375152434121 (reception room)
Pronko Pavel, Ph.D. (Biology). Doctor of Biol. Sci. Deputy Chairman	Deputy Director in Charge for Scientific Research at the Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus	Mobile.+375297845830 (MTS)
Averin Victor, Ph.D. (Biology)	Learned Secretary of the Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus	Tel. +375152433561
Gurinovich Valeriy, Ph.D. (Biology)	Head of the Laboratory of Metabolomics	Tel. +375152435681
Naruta Elena, Ph.D. (Biology)	Senior Researcher at the Division of Biochemical Pharmacology of the Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus	Mobile. +37525 6094558
Zverinsky Igor, Ph.D. (Biology)	Acting Head of the Division of Biotechnology of Natural Compounds of the Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus	Mobile. +375152 436511 Tel. +375297845830
Chumachenko Sergey, Ph.D. (Biology)	Senior Researcher at the Division of Bioregulators of the Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus	Executive Secretary Tel. +375152 437761
Kiryukhina Lyudmila, MA	Leading Translator/Interpreter at the Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus	Secretary Mobile. +375293833868
Kondyba Natalya Secretary of The Workshop for Young Sciences	Junior Researcher at the Laboratory of Biochemistry of Toxicology and Narcology at the Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus	Tel. +375152 437833

Key dates

May 20, 2016	Deadline for submission of applications and papers
June 7, 2016	Mailing of notifications of acceptance of Congress presentations
June 17, 2016	Mailing of the Congress program
July 5, 2016	Opening of the Congress

Congress venue Institute of Biochemistry of Biologically Active Compounds, NAS of Belarus Bulvar Leninskogo Komsomola, dom. 50 Grodno 230030. Belarus	Telephone/fax: (375-152) 434121, Telephone (375-152) 434161
--	--

e-mail: 1CBB-2016@tut.by

e-mail: office@bioch.basnet.by

web-site: www.ibiochemistry.by

Working languages: Belarusian, Russian and English

The meeting will include: plenary sessions, lectures, symposia, poster presentations, symposia and a workshop for young researchers.

Submission of the papers:

Please send the application for participation, your paper and the paying slip to: CBB-2016 Congress Bulvar Leninskogo Komsomola, d.50, Grodno, 230030, Republic of Belarus or to the following **e-mail address:** 1CBB-2016@tut.by The file name should contain the surname and initials of the first author. One author can submit only one paper. The paper will not be accepted unless the payment confirmation is supplied.

Attention of young scientists:

There is going to be a competition of works of young scientists during the Congress a special symposium. Scientists aged up to 35 years having no academic degree are invited to take part in *The Competition of Young Scientists*.

The authors without any co-authors may submit only one paper. To conduct a preliminary expertise, both hard and e-copies (2 copies) of a 6-page competition paper prepared according to the preparation instructions together with **an application** (see the application sample), **a letter of referral and recommendation of a research advisor** are submitted to the Organizing Committee until May 15, 2016. The documents should be marked with the 1CBB-2016 M note. The winners will be awarded with diplomas and a prize.

Instructions for article preparation

Please type the text single - spaced using Microsoft Word (version 2007), **Times New Roman type, 14-pitch size**. No hyphenation is used, **the indentation is 1 cm and the margins are 20 mm**. The length of the article (including summary in English and references) **should not exceed 6 pages**.

The title (boldface font, in the centre), authors' names (italics, in the centre), institution (centered) and the text should be separated by a line space. The text should not contain more than 2 figures (black-and-white) in TTF and JPEC. Please send the figures as a separate file. Use **12-pitch size** for figure legends. Please arrange the text as follows: introduction, materials and methods, results and discussion and conclusion. No more than 15 references in square brackets are included in order of their quotation. Abbreviations are deciphered after their first mentioning in the text and remain unchanged throughout the paper.

The Organizing Committee reserves the right of reviewing the materials. The materials will be published according to the review results. Papers not accepted for publication are not returned.

Registration fee

Belarusian participants	100 000 Belarussian roubles
Foreign participants	20 US dollars
Young scientists	Free
