

# Gela Azikuri

## CV

**Address:** 19, Giorgi Arsenishvili street, Telavi, 2200

**Mobile Phone:** + 995 599191551

**E- mail:** gela.azikuri@tesau.edu.ge

**Date of birth:** 15 October 1967 year

**Place of Birth:** Telavi, Georgia

**Marital status:** married

### **Education/Qualification:**

1992 – 1995 – day time department of post-graduate studentship of I. Beritashvili Physiology Institute of Georgian Scientific Academy, Brain Metabolic Processes Regulator mechanisms Research Laboratory, specialty – physiology of humans and animals

1984 – 1992 – Technical University of Georgia (with success), faculty of automatic calculating technique day time department, specialty – biotechnical and medical apparatus and systems

1974 – 1984 – Telavi Secondary School #1

### **Education**

Scientific qualification 1997 Candidate of biological sciences

(diploma #001526)

Dissertation topic name:

Prophylactic-cerebroprotective action of the drug "Plaferon - LB" in

In behavioral disorders caused by local cerebral cortex infarction

1992-1995 - Sat. Academy of Sciences I. of Physiology named after Beritashvili

Attended teaching post-graduate studies at the Institute of Brain

Research of regulatory mechanisms of metabolic processes

Laboratory, human and animal physiology specialty

{with honors}

1984-1992 - Technical University of Georgia, automation - computing equipment

Faculty of Biotechnical and Medical Devices and Systems

Major (Hons)

1974-1984 - St. Telavi #1 secondary school

work experience

2005-2006 - Telavi i. Gogebashvili State University, precisely

Dean of the Faculty of Natural Sciences

Since 2007 - Telavi i. Gogebashvili State University

Associate Professor (in biology)

## Scientific publications and conferences:

1. Iakob Gogebashvili Telavi State University. Eco-educational scientific conference - "Climate change, sustainable development and biodiversity". Telavi December 28, 2020. certificate.

2. Iakob Gogebashvili Telavi State University. Eco-educational scientific conference - "Climate change, sustainable development and biodiversity". Telavi December 24, 2021. certificate.

3. EXPERIMENTAL MIXED INFECTION CAUSED BY TRICHOPHYTON RUBRUM, PARAMYXOVIRUS (SENDAI VIRUS) AND ONCOVIRUSES TYPE A AND C. BAKU STATE UNIVERSITY. 10th international conference on Scientific Advances and Challenges in Biology SCIENTIFIC CONFERENCE.

PROCEEDINGS May 6-7, 2021

Baku-2021

4. Biological Peculiarities of Phages Lysing a Strain of *E. coli* M17.

XIV Международная научно-практическая интернет-конференция «Современные вызовы и актуальные проблемы науки, образования и производства: межотраслевые диспуты». (г. Киев, 26 марта 2021 года).

The effect of the magnetic field on the synthesis of the growth regulators of local strains of *Azotobacter* 12th International Scientific and Practical Internet Conference "Modern Movement of Science" devoted to the main mission of the International Electronic Scientific and Practical Journal "WayScience".

April 1-2, 2021. Dnipro, Ukraine.

Fires in the forests of Tusheti

XII International Scientific and Practical Conference «GLOBAL SCIENCE AND INNOVATIONS 2021: CENTRAL ASIA» (GSI 2021), 5 february, 2021 in Nur-Sultan(Astana), Kazakhstan.

7. Telavi State University named after Jacob Gogebashvili. XXII (78th) scientific conference of professors-teachers and doctoral students, Telavi 2020. Assoc. Professor Gela Azikuri - 5 G Internet and the effect of electromagnetic waves on the biological organism.

8. Telavi State University named after Jacob Gogebashvili. XXIII (79th) scientific conference of professors-teachers and doctoral students, Telavi 2021. Assoc. Professor Gela Azikuri - the influence of electromagnetic waves on the living organism. Certificate - July 15, 2021

9. Telavi State University named after Jacob Gogebashvili. XXV (80th) scientific conference of undergraduate and graduate students, Telavi, June 24, 2021. Lika Mosemgvedlishvili - student of the second year of the biology undergraduate educational program - Parkinson's disease and its forms of development. Head - Assoc. Professor Gela Azikuri.

10. Telavi State University named after Jacob Gogebashvili. International Scientific Conference "Intercultural Dialogues" VI. Iakob Gogebashvili Telavi State University. International Scientific Conference "International Dialogues". October 29-30, Telavi - 2021 - Telavi. Peculiarities of etiological and epizootic processes of intestinal infections in sheep. Davitashvili Magda, Zuroshvili Lamara, Margalitashvili Darejan, Azikuri Gela. Etiological and Epizootic Peculiarities of Gastrointestinal Infection Processes in Sheep. E-ISSN 2667-999X, ISSN: 2233-3401, <https://journals.4science.ge/index.php/IDW>, DOI: <https://doi.org/10.52340/idw>

Certificate - Telavi 29-30,10,2021

11. Telavi State University named after Jacob Gogebashvili. Certificate, Workshop/Training - Scientific Aspects of Psychological Typology of Personality, Head and Presenter Nona Akhalashvili, Founding Director of Psychological Laboratory #1 and Criminal Psychology Agency. 29-30 October 2021

12. Telavi State University named after Jacob Gogebashvili. XXIV (80th) scientific conference of professors-teachers and doctoral students, July 6, Telavi 2022. Assoc. Professor Gela Azikuri - methods of treatment of cerebral ischemic stroke and anti-ischemic drugs. Certificate July 6, 2022

13. Telavi State University named after Jacob Gogebashvili. XXVI (81st) scientific conference of undergraduate and graduate students, Telavi, June 10, 2022. Ketevan Ozgeldashvili - student of the III course of the undergraduate educational program of biology - gene strains and mutations. Head - Assoc. Professor Gela Azikur.

14. Telavi State University named after Jacob Gogebashvili. Eco-educational scientific conference of students and schoolchildren - "Climate change, sustainable development and biodiversity". Telavi November 18, 2022. Member of the organizing committee. Keso Sakhiashvili, third year student of additional (minor) biology educational program. "Impact of high technologies and information noise on living organism and biodiversity". Head - Assoc. Professor Gela Azikur.

15. SSP Gori State University. Fifteenth International Scientific Conference - "Education, Science, Innovations in the Post-Pandemic Period" December 15-16, 2022. Yakob Gogebashvili Telavi State University (Georgia) - Isolation and comparative characterization of the causative agents of potato bacterial diseases.

LEPL – Gori State University. The Fifteenth International Conference, "Education, Science, Innovation in the Post-Pandemic Period". 15-16 December, 2022.

Iakob Gogebashvili Telavi State University (Georgia). Isolation and Comparative Characterization of the Causative Agents of Potato Bacterial Diseases.

16. Telavi State University named after Jacob Gogebashvili. Scientific conference of undergraduate and graduate students XXVII (82nd), Telavi, June 8, 2023. Nino Bazerashvili - student of the III course of the undergraduate educational program of biology - oncological diseases and modern methods of their treatment. Head - Assoc. Professor Gela Azikur.

17. Telavi State University named after Jacob Gogebashvili. XXV (81st) scientific conference of professors-teachers and doctoral students, July 7, Telavi 2023. Assoc. Professor Gela Azikur - Antioxidant effect of grapes on the cardiovascular system. Certificate July 7, 2023

18. Telavi State University named after Jacob Gogebashvili. International Scientific Conference "Intercultural Dialogues" VII. Iakob Gogebashvili Telavi State University. International Scientific Conference "International Dialogues". October 27-29, Telavi - 2023 - Telavi. Analysis of brucellosis cases in Kakheti and Kartli regions.

Analysis of brucellosis cases in Kakheti region. E-ISSN 2667-999X, ISSN: 2233-3401, <https://journals.4science.ge/index.php/IDW>,

DOI: <https://doi.org/10.52340/idw2023.01> Certificate - Workshop/Training

Research Methods in Science, by Professor John Wendell, University of Tokyo, Tokyo, Japan. 27-29 October 2023

19. Georgian Academy of Agricultural Sciences

International scientific conference

Biodiversity of agricultural plants and animals, conservation and utilization prospects. October 4-6, 2023, Tbilisi, Georgia.

The conference is held with the financial support of Shota Rustaveli National Science Foundation of Georgia (MG-ISE-23-923)

ISBN 978-9941-8-5843-7

Conservation of biodiversity in natural habitats.

Certificate (MG-ISE-19-196)

20. Certificate of Participation

Developing and Implementing Technology Enhanced Teaching and Learning at Georgian HEIs

(DITECH-Erasmus+)

618766-EPP-1-2020-1-EE-EPPKA2-CBHE-JP

Completed the professional Development Training – Workshop for Online Instructors

11.02.2023-12.02.2023

21. Certificate of Participation

Developing and Implementing Technology Enhanced Teaching and Learning at Georgian HEIs

(DITECH-Erasmus+)

618766-EPP-1-2020-1-EE-EPPKA2-CBHE-JP

Completed the professional Development Training – Workshop of faculty members on Educational Platforms in Teaching and Learning

5.11.2022-7.11.2022

22. Investigation of basic biological properties of the specific *Pyocyanus* bacteriophage. World Journal of Advanced Research and Reviews, 2020, 06(01), 073–076. e-ISSN: 2581-9615 Cross Ref DOI: 10.30574/wjarr. **Impact Factor: 4.98.** Journal homepage: <https://www.wjarr.com> Article DOI: <https://doi.org/10.30574/wjarr.2020.6.1.0085>

## Participation in trainings

2020 - "Active Learning: Technology-Based Collaborative Learning" \_Change in the Classroom: Promoting Innovative Teaching and Learning to Enhance Student Learning Experiences in Eastern Partnership Countries\_PRINTEL

2020 - "Active Learning in Flipped Learning Environments" \_Change in the Classroom: Promoting Innovative Teaching and Learning to Enhance Student Learning Experiences in Eastern Partnership Countries\_PRINTEL

2020 - Blended Learning\_Change in the Classroom: Promoting Innovative Teaching and Learning to Enhance Student Learning Experiences in Eastern Partnership Countries\_PRINTEL

2020 - "Video as a Teaching-Teaching Tool" \_Change in the Classroom: Promoting Innovative Teaching and Learning to Enhance Student Learning Experiences in Eastern Partnership Countries\_PRINTEL

2019 - Active Learning and Technology-Based Learning \_Change in the Classroom: Promoting Innovative Teaching and Learning to Enhance Student Learning Experiences in Eastern Partnership Countries\_PRINTEL

2019 - "Implementation of food processes in the MOODLE-LMS environment", Telavi State University

2019 - "Use of practical research methods in higher education institutions", Telavi State University

2018 - Change in classroom audience-virtual aspects of learning-teaching and research, Telavi State University

2017 - "Teaching methods of the 21st century", Telavi State University

2017 - "From traditional to online interactive audience", Telavi State University

2017 - Learning in the Real World: Active and Problem-Based Learning in Science. TelaviState University, Telavi.

2017 - Development of administrative staff to serve students with special needs In order to improve (DARE- TESAU) tread.

2017 - educational information technology research-in teaching and creation of electronic courses. tread.

2017 - From traditional to networked interactive audiences (master class), International Festival of Science and Innovation, Telavi.
