Education

Academic Degree: Doctor of Chemistry

Academic Degree:Engineer-chemist-technologist

Year obtained: 13/12/1993;

Education

Academic Degree	Name of the Institution	Country	Major discipline	Start year	End year
Doctor of Chemistry	Iv. Javachishvili Tbilisi State university	Georgia	Organic Chemistry	1991	1993
Engineer-chemist-technologist	Polytechnic Institute of Georgia	Georgia	Basic organic and petrochemical synthesis technology	1981	1987

Trainings / Seminars / Training courses

Training, Seminar, The theme of the course	Organization name	Start year	End year
Research Methods in Sciens	Iakob Gogebashvili Telavi State University	27/10/2023	29/10/2023
Scientific-practical works in bio-medical direction	Batumi State University	2019	2019
training „Video as for Teaching and Learning”	ERASMUS+PRINTEL; IakobGogebashvili Telavi State University	01/03/2019	07/03/2019
training „How to Write a winning grant proposal”	NGO Research & innovation for Business Solutions	09/11/2018	10/11/2018

training „Strengthening Modern Research Practices in Agricultural Education in Regional Educational Institutions"	Georgian Institute of Public Affairs	2017January 05	2017 March 31
training „21 st Century Teaching Methods"	University of North Texas; IakobGogebashvili Telavi State University	23/07/2016	27/07/2016
Training, research training by the natural experimentations through ", TEMPUS- project,, Student Active Learning in Natural Science"	European Commission TEMPUS; Ilia State University	09/05/2012	11/05/2012

Projects

Ongoing projects

Project title	Position	Project head	Start year	Donor
Determination of irrigation water norms for alluvial soil in the background of global climate change	member	Manana Kevlishvili	2024	Iakob Gogebashvili Telavi State University

Completed projects

Project title	Position	Project head	Start year	End year	Donor
Arrangement of vine Trellis	Chemist	Manana Kevlishvili	01.01.2023	31.12.2023	Telavi State University
Eradication of Sparseness in the Vineyard and its Influence on the Productivity of Grapes	Chemist	Levan Shavadze	2021	2022	Iakob Gogebashvili Telavi State University
Chemical study of wine materials obtained from Kakheti's industrial and prospective vine varieties cultivated with different schemes in connection with the cultivation scheme.	chemist	MananaKevlishvili	01.10.2020	31.03.2021	Iakob Gogebashvili Telavi State University
Preparation of agrochemical cartogram of Tsinandli	Scientific consultant	Manana Kevlishvili	20.09.2018	28.02.2019	Science begins at school with the participation of pupil in research Rustaveli National Scientific Fund scr/39/9/19
Study of	chemist	MananaKevlishvili	01.04.2016	31.01.2017	Fundof the

microbiological problems of soils of Telavi municipality					President of Georgia
Study of soil problems of Shida Kakheti (Telavi district).	chemist	MananaKevlishvili	01.07.2015	30.04.2016	Fund of the President of Georgia

Scientific Fields

Main Field

Field: chemistry

Sub-Field: organic/inorganic chemistry. Subject area: Food Chemistry, Soil Chemistry, Vine and Wine Chemistry

Employment History

Current place(s) of employment

Workplace	Name of the work department	Position	Main Responsibilities	Start Date
Iakob Gogebashvili Telavi State University	Faculty of Agricultural, Natural Sciences and Technologies	head of the quality assurance systems in theFaculty of Agricultural Sciences; associate professor	Ensuring and managing the quality of educational and scientific work at the faculty	2023
Iakob Gogebashvili Telavi State University	Faculty of Agricultural Sciences	head of the quality assurance systems in theFaculty of Agricultural Sciences; associate professor	Ensuring and managing the quality of educational and scientific work at the faculty	2014
Iakob Gogebashvili Telavi State University	Faculty of Agricultural Sciences	Deputy Dean, Associate Professor	Conducting educational and scientific work at the faculty	2005
Georgian State Agrarian University	Telavi Branch, Engineering Technology Department	Associate Professor, deputy director of the study and Scientific field	Conducting educational and scientific work at the Telavi Branch	2003
Georgian State Agrarian University	Telavi Branch, Engineering Technology Department	Associate Professor, Heard	Conducting educational and	1995

		Of Engineering Technology Department.	scientific work at the Department.	
Georgian Polytechnic Institute	Department of Organic Chemistry	Intern-researcher	Participation in scientific-research works of the department	1987

Article / Monograph / Manual Total: 41 articles

Type	Author(s)	Publication title	Source title	Year
Article	M.Ghaghlishvili M.kevlishvili L.Shavadze I. Shildelashvili	Modern Methods of Phylloxera-resistant Rootstock Vine Growth and Formation	International Research Journal of Engineering, IT and Scientific Research DOI: 10.21744/irjeis.v8n3.2086	2022
Article	M.Ghaghlishvili M.kevlishvili L.Shavadze A.Kharibegashvili	The mobile grape trellises	Scientific Journal AGRICULTURAL ENGINEERING University of Belgrade DOI:10.5937/PoljTeh2101054K	2021
Article	M.Ghaghlishvili M.kevlishvili L.Shavadze A.Kharibegashvili	The Advantages of the Mobile Grape Trellises	American Journal of Engineering Research (AJER) e-ISSN: 2320-0847 p-ISSN : 2320-0936.	2021
Article	M.Ghaghlishvili A. Calatashvili M. Khositashvili T. Khositashvili	Determination of the Period of The Saffron collection according to the contents of Protocrocine	Europian Science N 5(47) ISSN 2410-2865 (Print) ISSN 2541-786X (Online)	2019

Article	M.Ghagholishvili N. Vepkhishvili G. Andronikashvili	Synthesis of some N-aryllactams by a simplified method and study of their antimicrobial properties	Nizhyn, Ukraine; IVInternational Extramural Scientific and Practical Conference of Young Scientists "Fundament and Applied Reserch in Modern Chemistry",	2017
Article	M.Ghagholishvili M.kevlshvili I. Shildelashvili	Determining the wheat harvest in Kakheti Region.	A new level of integration in the modern world #2, Academic House City Sheffield, Great Britain	2017
Article	M.Ghagholishvili M.kevlshvili I. Shildelashvili	Influence of soil factor on the quality of wheat and bread for some municipalities of inner Kakheti	Collection of works of the National Academy of Odessa Food Technology Volume 10	2016

Scholarships and awards

Scholarships/awards name	Issuer	Year of issue
Medal of Honor	Decree of the President of Georgia dated November 16, 2002 N 1437	2002

Participation in scientific events : Total: 18

Scientific event name	Title of the presentation	Event venue	Year
International Scientific Conference "Intercultural Dialogues VII"	Eradikation of Sparseness in the Vineyard and its Influence on the Produqtivity of Grapes	Iakobgogebashvili Telavi State university	2023
International Conference ..Academic Integrity in the Era of Ai: Practices and Challenges''	Participant	Iakobgogebashvili Telavi State university	2023
Innovation in the Modern Education system	Use of hawthorn fruits in the production of functional food products	Washington University in st.Louis	2022
International Conference on Developments in education	Advantages of Natural Juices compared to Non-alcoholic Drinks	Canada, Toronto	2022
International Conference Scientific researches for Development Future	Determination of lead in cow's milk using the Telavsky municipality as an example	New York, USA	2019
International Conference Scientific researches for Development Future	Determination of plants picking periods present in Georgia, according to the contents of biologically active substances	New York, USA	2019
International practical conference "Georgian wine	Use of grape and persimmon juice concentrates in liquor production.	Caucasus's International University	

and grapes" - traditions and scientific challenges		(KSU), Iv. Javakhishvili Tbilisi State University (TSU)	2019
International Scientific Conference "Intercultural Dialogues III"	Study of the quality of pollution of agricultural products spread on carbonate and non-carbonic soils	Iakobgogebashvili Telavi State university	2015
Scientific-Practical Conference "Commercialization of Results of Agrarian Research"	Determination of the timing of potassium fertilizer and its impact on grape harvesting and wine quality	Ministry of Science and Education, Shota Rustaveli Ernest Research Foundation, Akaki Tsereteli State University, St. Kutaisi	2013
Georgian Technical University, Association of Professional Chemists of Georgia – Second International Conference of Young Chemists ICYC-2012	Influence of mikro- oxygenation in Red Wines made from Saperavi Grape Variety	Georgian Technical University, Tbilisi.	2012
