City: Tbilisi

Country: Georgia

[2009 – 2012]

PhD in Geography

Iakob Gogebashvili Telavi State University

City: Telavi

Country: Georgia

PROJECTS

[2024 – Current]

European Energy Efficiency and Green Partnerships for Georgia and Ukraine (Erasmus+ CBHE)

[2019 – 2026]

Scaling-up Multi-Hazard Early Warning System and the Use of Climate Information in Georgia

An ongoing project funded by the governments of Georgia and Sweden, the Green Climate Fund (GCF), the Swiss Agency for Development and Cooperation (SDC) and the United Nations Development Program (UNDP). The educational and awareness-raising component of the project is implemented by the Environmental Information and Education Center of the Ministry of Environmental Protection and Agriculture of Georgia. The project aims to reduce the risks of natural disasters caused by climate change, develop an early warning system and implement an effective national hazard management system, which will ensure better protection of 1.7 million people living in Georgia from floods, droughts and other climatic hazards.

[01/2023 – 12/2023]

The role of soil microbiocenosis in the composting of the organic component of the municipal solid waste.

Project by Iakob Gogebashvili Telavi State University

[05/2018 – 11/2019] **Ecological condition of the areas adjacent to Mtkvari river**

Scientific research project implemented by Baku State University. Determination of air pollution in Tbilisi and Rustavi was under my responsibility.

[02/2017 – 10/2017]

Strengthening modern research practices in the field of agriculture in regional educational institutions

Project implemented by Georgian Institute of Public Affairs and Iakob Gogebashvili Telavi State University

[02/2016 – 12/2016] **Promoting Safe Migration and Preventing Threats of Illegal Migration**

Project implemented by International Organization for Migration (IOM).

[2015 – 2016] **Live without violence**

Emigrants for Civic Development, Migration Center and Ministry of Justice of Georgia №01-002-2015, 2016.

[16/01/2013 – 29/11/2013] **Multidisciplinary approaches to the prevention of trafficking**

Project implemented by International Organization for Migration (IOM).

[2011 – 2012] **Local Environmental Action Plan of Telavi**

EU and the Government of Liechtenstein, EU Grant Agreement of September 2011 № 270 667, 2012.

CONFERENCES AND SEMINARS
